1. Introduction

BLUE~AD~ROBO is specifically designed for posting ads on www.craigslist.com.
The tool connects to www.craigslist.com and place ads to the specified category & city.

2. How to install

It's simple!

- a. Put all the downloaded files in single folder of your choice.
- b. Just extract the **reg all controls.zip**.
- c. Run the "RegAllControls.exe" from "Reg All Controls" folder. This will register all the needed controls to your system.
- d. Now extract "**BLUE~AD~ROBO.zip**" to a folder of your choice and that's all.

3. How to use

To use BLUE~AD~ROBO effectively, please follow the steps mentioned below –

1. Prepare an excel sheet that contains all the email ids. (the format of the excel sheet is mentioned in the next section).
2. Put your ad data in the settings section.
3. If you want the location of your ad to be displayed as that of the city itself, just check **"Use City As Location"**.
4. **"Ad Title & Ad Text"** are compulsory fields.
5. Specify the **"location of Excel sheet"** using the browse button.
6. Specify the **"sheet number and the starting row number"**, from which you want to start posting.
7. Select **"Ad Category & Subcategory"**.
8. Select **"Reply option"**.
9. You are done now. Click on **"Start Placement"**.
10. You will be on Craigslist's home page.
11. Press **"F2"** key and relax. Blue~Ad~Robo will do the remaining for you.
12. Specify **"FIVE LETTER VERIFICATION WORD"** if asked to do so. Click on continue.
13. If suppose **"FIVE LETTER VERIFICATION WORD"** not displayed properly then press **"CTRL+N"**. It will open a new browser window, where you can see the **"FIVE LETTER VERIFICATION WORD"** type it in the Blue~Ad~Robo window. Click on continue.
14. If incase Blue~Ad~Robo doesn't move further (which may happen if they change any content flow policy on CL). Just manually take the action & relax.
15. After posting the ad Blue~Ad~Robo will be back to craigslist's home page. **"Repeat Step 11 onwards"**.

4. Format of Excel sheet

The format of the excel sheet is simple –

Col A | Col B

EMAIL ID CITY

This should be the first line of the sheet. The starting column of the sheet should be "A" always. Meaning that the Email Ids should be in A column always followed by City in "B" column.

5. Limitations

Currently Blue~Ad~Robo works for three categories only. Viz.

1. **community**
2. **for sale / wanted**
3. **services offered**

We are just working on it to make it work for all the categories. Will soon be ready with the new version supporting all the categories & sub categories of Craigslist.com.

6. Requirements

Just a Computer with Windows 98 or higher OS and connected to the internet, will do. The performance of the software will depend upon the internet speed.
